# MVC

# MVVM

```
git clone https://github.com/rangle/ngcourse.git
cd ngcourse
git branch --track 2014-12-16 origin/2014-12-16
git checkout 2014-12-16
npm install
bower install

sudo npm install -g http-server
```

# To get the latest version

```
git stash  
git pull
```

Or

```
git checkout -b my-version  
# commit with git add, git commit  
git checkout 2014-10-27  
git pull
```
